10. Description: Transmitters give their call sign every 5 minutes for one minute, according to the classic competition.

Competitors start with a 2m receiver. Everyone will look for the same 5 transmitters, then after arriving at the intermediate destination, they will change the 2m receiver to the 80m one, and then also find 5 transmitters. They must finish the competition within the limit time. Both beacon transmitters will transmit MO.

The organizing committee of the Championship welcomes every competitor and visitor to this event!
